ABOUT THE COLLEGE

Welcome to Arjun College of Technology, Where excellence in engineering education meets unparalleled dedication to student success. Our highly qualified and dedicated faculties take pride in imparting knowledge, mentorship and guidance to our students. From cutting-edge research facilities to industry-standard equipment, our laboratories foster creativity and empower students to turn ideas into reality. Driven by a relentless pursuit of excellence, our goal is to rank among the world's top engineering colleges.

VISION

To develop a world class center of excellence in Engineering and Technology Education that is renowned for Competence, Innovation, Professional Ethics, Values, Culture and Excellence.

MISSION

- To offer access and opportunity to young students from diverse backgrounds to enrich their lives in a personalized and supported environment.
- To facilitate, effective teaching-learning in order to simulate creativity and practical skills.
- To continuously upgrade faculty/staff members to be dedicated, passionate, knowledgeable and willing to help students to achieve success in all frontiers of life.
- Promoting Research and Development program for the growth of the economy.
- Disseminating technical knowledge in the region through continuing education programs.

ABOUT THE CONFERENCE

Welcome to the International Conference on Recent Advances in Science, Engineering and Technology a premier gathering of scholars, researchers and practitioners from around the globe. We aim to provide a platform for the exchange of ideas, innovations and discoveries in various fields of science, engineering and technology.

ICRAS2024 is not just a conference- it's a platform for intellectual exchange, collaboration and inspiration. Whether you're a seasoned researcher, an early-career scholar, or a passionate student, ICRAS2024 welcomes you to join us in advancing the frontiers of science, engineering and technology.

We invite you to be part of this exciting journey towards knowledge creation and innovation at the International Conference on Recent Advances in Science, Engineering and Technology. Together, let's explore new horizons, inspire change and shape the future of our world.

CONFERENCE TOPICS INCLUDE BUT ARE NOT LIMITED TO

- Generative AI
